

Hazelwick School A Level Results

Summer 2020

Year 13 Hazelwick students celebrated another fantastic set of A Level results, particularly impressive, given the increased demand of the linear qualifications. Their attainment places Hazelwick among the highest outcomes from across the county from secondary schools and sixth form colleges.

An outstanding third of all grades were of an A* or A standard, with an impressive twenty-four students achieving three or four A*/A's or equivalent. A remarkable 59% of all grades were of the A*-B standard.

One of our top achieving students gained a place at Cambridge to study Modern and Medieval Languages. With these excellent results the vast majority of our students progressed to their university of choice.

These fine results are a fitting reward for the dedication and hard work shown by these students throughout their studies. We are not only proud of our sixth formers' academic success, but also immensely grateful for the enormous contribution they have made to the wider life of the school community.
