

AR Level 2.5

## The Legend of Zelda by Akira Himekawa (Manga series)

A manga series based on the well known computer game. Follow Zelda and Link as they battle an evil wizard who is searching for the pieces of the Shadow Crystal so that he can rule over the Twilight Realm and the World of Light.

The plot is self contained enough to read without being an expert on the original game.

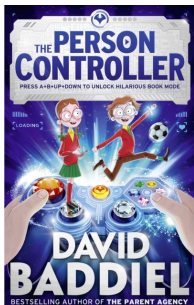

AR Level 2.6

## The Person Controller by David Baddiel

Twins, Fred and Ellie, although not identical, like all the same things, and are both especially good at video games. But they aren't good at much else like football and dealing with the school bullies.

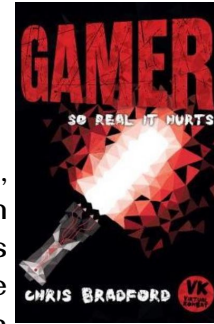

One day they meet a mystery Man, who send them a video game controller like no other. This controller actually controls people. Could this be the answer to their dreams?...

AR Level 4.7

## Gamer

By Chris Bradford

Scott is an orphan roaming the streets, searching for food, when an opportunity comes along. Scott jumps at the chance to become a game tester for Vince Power's Virtual Kombat video games. But when one of Scott's friends goes missing after playing the game. He realises that there is nothing virtual about the danger in these games....

(AR Level 4.1)

## Contender Trilogy By Taran Matharu

AR Level 6.2

Cade Carter is convicted of a crime that he didn't commit and is facing a year in reform school, when he finds himself transported to another realm.

Follow Cade and a group of teenagers as they battle bloodthirsty prehistoric creatures and fierce warriors, in a world where there is no escape. Cade must

AR Level 6.2

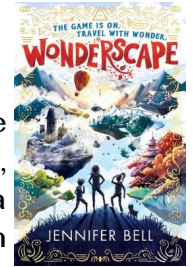

get ready to fight, failure is not an option in this game.

### Assassins Creed Series By Oliver Bowden

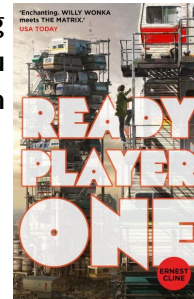

This series has been created based on the popular video game. After the murder of his father and brothers, Ezio is entrusted with an ancient Codex, the key to a centuries-old conflict between the Templar Knights and the elite Order of Assassins. Ezio must avenge his father and brothers, and fulfil his destiny and live by the laws of the Assassins Creed.

(AR Level 6.1)

### Ready Player One By Ernest Cline

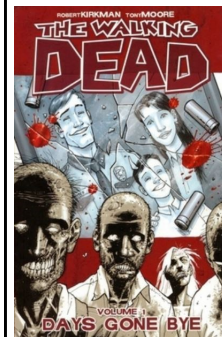

It's the year 2044, and the world has become an ugly place. Like most of humanity, Wade Watts escapes his depressing reality by spending his waking hours plugged into the OASIS. A sprawling virtual utopia where you can be anything you want to be, where you can live and play and fall in love on any of the ten thousand planets.

(AR Level 6.7)

### The Walking Dead (comic/Graphic Novel series) By Robert Kirkman

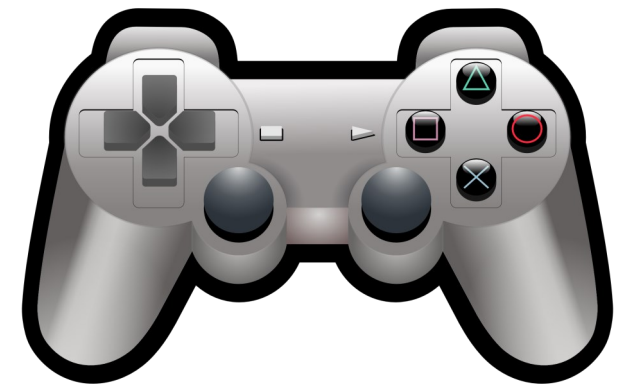

The comic on which the video game and television series is based on, follows Rick Grimes as he tries to find his wife and son. An apocalyptic epidemic has swept the globe. Rick, as one of the few survivors, must sort through the death and confusion in a world ruled by the dead.
