Set in a dark, dystopian view of the future, will Katniss survive the games?.... Brought to the big screen in the film Adaption starring Jennifer Lawrence and Liam Hemsworth in 2012.

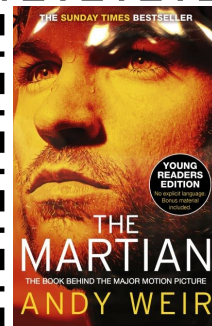

Adult Fiction

All Quiet On The Western Front By Erich Maria Remarque

The story is told through the eyes of a young "unknown soldier". The German author tells the story of how a generation of young soldiers who survived the War, were destroyed by War and were left feeling betrayed. This emotional and hard-hitting story was brought to Netflix last year in 2022, and has since gone onto win seven BAFTAs and for Oscars.

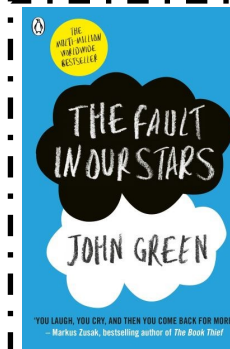

The Martian By Andy Weir

Matt Damon brought to life the botanist from Weir's novel in the 2015 movie. Botanist Mark Watney is stranded on Mars after a team leaves him on the planet, presuming him dead after their mission is aborted due to a devastating storm. With limited supplies can Watney manage, against all the odds to survive or is he doomed to die on the unforgiving planet when supplies run out?...

Adult Fiction

The Fault in Our Stars By John Green

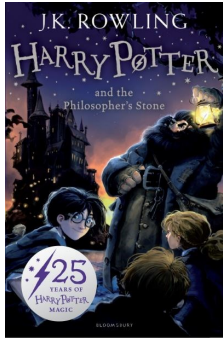

Hazel is diagnosed with stage four thyroid cancer at 12 years old. A medical miracle meant the tumour on her lungs shrunk. But two years after the miracle at 16 years old has left high school and although could now live for a long time, she is tethered to an oxygen tank. Hazel is then matched with a boy at a support group which helps her to re-think her views on life and death. Made into a film in 2014.

The Devil Wears Prada By Lauren Wiesberger

Young aspiring writer, Andrea Sachs' dream is to write for The New Yorker magazine. Sachs has never heard of the world's biggest fashion magazine "Runway" or its formidable owner, Miranda Priestly. But when she's offered the job to be Miranda's assistant, she can't refuse the opportunity. Meryl Streep played Miranda in the movie released in 2006 alongside Ann Hathaway as Andrea Sachs.

Teen Fiction cont'd...
