

## Supernatural Romance

### *Darkest Powers* trilogy by Kelley Armstrong

Chloe discovers that she and some of her peers have supernatural powers. She also discovers that someone has a plan to exploit these powers. Combining action, horror, ghosts and romance, this series is a must for *Twilight* and *Vampire Diaries* fans.

### *Hush, Hush* series by Becca Fitzpatrick

When a mysterious new boy arrives at school, Nora is not sure what to think. He seems to know everything about her — what is his secret? Finding out the truth is her only answer, but it might be something she is not prepared for. A gripping supernatural romance, this series will capture the interest of genre fans and genre cynics alike.
