

Medicine and Biomedical Sciences Virtual Study Day Saturday 19th March 2022

St John's College is pleased to welcome applications for the Medicine and Biomedical Sciences Virtual Study Day, which is open to non-selective state school pupils.

Are you currently studying **two of the following subjects** at A-level (or equivalent): Maths, Chemistry, Biology, Physics

Are you interested in:

- Studying Medicine or Biomedical Sciences at a top university?
- Participating in taster lectures and workshops led by Oxford tutors?
- Virtually meeting Medicine and Biomedical Sciences tutors and current students?

To apply:

- Complete the application form on our website by Monday 14th of March 2022

Please note, our study days are often oversubscribed and selection is based on academic merit*

*For further information on eligibility criteria and application form, please see the College's website:
<https://www.sjc.ox.ac.uk/schools/pupils/study-days/>

What does the day involve?

- Virtual academic taster sessions led by Medicine and Biomedical Sciences tutors
- A talk on careers in Medicine and Biomedical Sciences with industry professionals
- Workshops on developing your personal statement and interview performance
- Advice on preparing for and taking the BMAT
- A Q&A session with current Medicine and Biomedical Sciences students

All attendees will receive a certificate of participation

All events and resources are free to qualifying pupils. Travel Awards and Digital Assistance Awards are also available for eligible participants.
