PIN FAQs:

Q. Do PINs change?

A. No PINs never change. In case a user forgets their username or password, they can use the PIN to reset login details as it remains the same.

Q. My child has forgotten their password.

A. A student's PIN can also be recovered through the linked parent account. Simply login to see a 'Recovery PIN' for each child. See the highlighted boxes below:

The screenshot displays the 'Select student' interface. On the left, a sidebar lists the user 'Mr. Barry Breadstick' and three students: Billy Breadstick, Jimmy Breadstick, and Sarah Breadstick. The main content area shows a 'Select student to view their homework account' section. It features three student cards, each with a profile picture, name, last activity date, and a highlighted box indicating overdue items. Billy Breadstick has 4 items overdue, Jimmy Breadstick has 2 items overdue, and Sarah Breadstick has no items overdue. Below each card are links to 'View to-do list', 'View gradebook', and 'View notice board'. A 'Recovery PIN - G07274070' is displayed at the bottom of each card. A legend at the bottom indicates green for Announcements and red for Events.

What help is available to me?

If you notice any information that you believe is incorrect regarding your child, please email your son/daughter's Head of Year. For technical support queries only, such as problems logging in, contact helpdesk@hazelwick.org.uk and we will aim to respond within 24 hours.
