Dear Parent/Carer,

On Thursday 16<sup>th</sup> January 2025, Year 12 students will have their Independent Academic Reflection Day. Students will be required to work at home reviewing their first term's progress in the sixth form and looking ahead to their exams in Year 12 and 13. The first Year 12 report, issued on Friday 6<sup>th</sup> December, will be used to inform some of the work students will be expected to complete on the day. Students will be given resources in form time when they return in January to support them with their independent work and advise them on how best to use their time. Following the Independent Academic Reflection Day, students will have mentoring meetings with their form tutor discussing the action plan students have devised.

Kind regards,

Mr Hillier
