Dear Parent/Carer

ELECTION OF PARENT GOVERNOR

I am pleased to inform you of the result of our election for parent governors.

Elected: Miss Emma Rogers

The submitted election statement is shown below: -

Miss Emma Rogers

I attended Hazelwick myself and knew that this is where I would want my child to be educated. I am currently a manager in the London Prison and Probation Service, formerly a teacher. I have served as a governor at Three Bridges Primary school, and worked with young people as a Scout Leader, and with the Youth Offending Service. I have strong links with the owners of CTFC as another dedication to our town. My particular passion relates to behaviour, and additional needs; my son has an EHCP. I would love to support the school in those areas, and with local community liaisons. During my teaching career, I taught in both primary and secondary schools, including having taught 16– 19 year olds with additional needs. I have a good knowledge in respect of learning styles, and the processes and opportunities available to all children. Every child is an individual, should be recognised as such, and have their potential maximised. There is often no one more inspiring than an inspirational teacher to equip a child with the skills and tools required as they enter adulthood. I would relish being a part of supporting this, and ensuring that our children achieve everything they desire, with Hazelwick being a great foundation for their future successes.

I would like to thank those who put their names forward and I am sorry that there were insufficient places for all interested parties this time.

I am immensely grateful to these parents/carers who are willing to give their time to Hazelwick School in the role of Parent Governor. Governors provide an invaluable service to the smooth running of the school to ensure the best educational provision for all our students.

Yours faithfully

Ms A Fearon
