Dear Parent/Carer

## **ELECTION OF PARENT GOVERNOR**

I am pleased to inform you of the result of our election for Parent Governors.

                          Mr Simon Burdett-Dixon

The submitted election statements are shown below: -

**Mrs Alexandra Morley**

I am an advocate for education and currently work within the sector, giving me a strong appreciation of the challenges faced by schools today. With a professional background in Human Resources, I bring valuable experience in people management, strategic planning, and policy development. As a parent, I am committed to supporting the whole school community and ensuring every student and staff member has the opportunity to thrive. I am keen to work collaboratively with the leadership team to maintain high standards and contribute to ongoing improvement. I would be honoured to serve as a Parent Governor at Hazelwick school.

**Mr Simon Burdett-Dixon**

I am Hazelwick alumni, having attended from 2002-8, and thoroughly enjoyed my time here. My wife and I met at sixth form, and we are delighted that our eldest child has just started Year 7. I have experience of the role, having served as a Governor on the Brook Infant School's board for 4 years and represented it at two successful Ofsted inspections. For work, I am a Partner at a Surrey firm of solicitors, specialising in property matters and dispute resolution. Hazelwick has given me so much over the years, and now I am keen to give back what I can to help it continue going from strength to strength.

I would like to thank those parents/carers who put their names forward and I am sorry that there were insufficient places for all interested parties on this occasion.

I am immensely grateful to parents/carers who are willing to give their time to Hazelwick School in the role of Parent Governor. Governors provide an invaluable service to the smooth running of the school to ensure the best educational provision for all our students.

Yours faithfully

Mr D Leadbitter  
Headteacher
