

Spanish

Why study Spanish?

An A Level in Spanish will be a highly valuable qualification whether you are considering higher education or employment. You will benefit from a fortnightly conversation class with our excellent native language assistant and you will have the opportunity to take place in insightful Spanish Day courses in London to understand better the film and literary book studied at A Level.

What skills will I gain from studying Spanish?

You will acquire more advanced translation skills and confident, effective conversation skills in Spanish. You will be trained to take initiative and formulate opinions about topical worldwide issues and you will gain a thorough understanding of the culture of countries and communities worldwide where Spanish is spoken.

Having studied Spanish, what opportunities will be open to me?

With an A-level in Spanish, you will be able to study Spanish at university as a languages degree or as part of a joint honours course with English, Politics, Law, Biochemistry and Media, to name but a few. Having a language opens every door to future possibilities. It will improve job prospects and you will also have the opportunity to travel, work and live abroad. Being able to offer an additional language will make you stand out from the crowd.
