

Hazelwick School Provider Access Policy (Careers)

Document Owner:	Careers Leader
Committee:	Curriculum & Standards
Date of Policy:	January 2026
Review Date:	January 2027
Location:	Website

Rationale

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer (Baker Clause). This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All students in years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events
- To understand how to make applications for the full range of academic and technical courses.

At Hazelwick School we encourage all students, including students in Year 7, to participate in our Careers Education programme so we would also include those students in any activities which a provider would like to offer therefore providing access to all students in all year groups.

Management of provider access requests procedure

A provider wishing to request access should contact Mrs Sarah Andrews, Careers Leader, Telephone: 01293 403344; Email: sandrews@hazelwick.org.uk

Opportunities for access

A range of events, integrated into the school careers programme throughout the school year offer providers an opportunity to come into school to speak to pupils and/or their parents/carers:

	Autumn term	Spring term	Summer term

--	---	---

Please speak to our Careers Leader to identify the most suitable opportunity for you.

Premises and facilities

The school will make halls, classrooms or private meeting rooms available for discussions between the provider and students as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader and other members of staff who will be involved with the presentation.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by the school librarian. The Resource Centre is available to all students at lunch and break times as well as before and after school.

Monitoring, Evaluation and Review

The Careers Leader (with strategic responsibility for Careers) will monitor, evaluate and review this policy through analysis of practice and dialogue with stakeholders and will present any amendments to SLT for approval on an annual basis in conjunction with the Hazelwick School Careers Education Policy annual review.
