Wonder Dome Planetarium Visit to Hazelwick

Dear Parent/Carer,

I am writing to inform you about an exciting enrichment opportunity taking place at Hazelwick School for all Year 7 students.

On **Wednesday 15th and Thursday 16th July**, Hazelwick School will be hosting a [Wonder Dome Planetarium](#) experience for all Year 7 students.

This is a fantastic opportunity for students to experience astronomy and space science in an engaging and memorable way. Sessions take place inside a full-sized inflatable planetarium dome and will be led by specialist presenters, allowing students to explore topics such as the solar system, stars, galaxies, and space exploration in a way that simply is not possible in a regular classroom.

We are incredibly pleased to be able to offer this experience to students. Wonder Dome sessions are widely recognised for inspiring curiosity, supporting science learning, and helping students see STEM subjects as exciting, relevant, and accessible. Every Year 7 student will experience a 30-minute session within the Wonder Dome. To help support this experience, we are asking if parents/carers would be willing to contribute a suggested amount of £3 to help us cover the cost of providing this activity. Payment can be made through the Hazelwick School Internet Payments system, [Wisepay](#), via the school website or by the link below.

<https://www.wisepay.co.uk/store/generic/template.asp?ACT=nav&mID=223707>

Please note, all students will be involved in this activity regardless of any donations made.

Thank you for your support with this exciting opportunity.

Yours faithfully,

Mrs N. Jedamzik
STEM Coordinator

Mr A. Chase
Assistant Headteacher
