Dear Parent/Carer

Mock Examinations: Tuesday 1st – Friday 18th December 2026

I am writing to explain the arrangements for the forthcoming mock examinations. During the mock exam period, from Tuesday 1st December, students will be expected to attend school during periods 1-4 and may return home at lunchtime (1.25pm) to undertake private study in the afternoon, providing they do not have an exam during period 5. The examination timetable, on the Hazelwick Examinations webpage, details the subject, date, time and location for each exam. When not in an afternoon exam, students should be at home to study independently, making use of this time and consolidating the learning that has taken place here in school.

Whilst we feel this is the most beneficial way for the students to work during this period, we understand that some students may wish to remain on the school site during period 5. In this case, we are able to offer a number of spaces in school for supervised study; the student would need to bring revision materials with them to work on. We will need to know in advance so that arrangements can be put in place so if you would like your child to remain in school in these circumstances, please email Mrs Murray the Year 11 Co-ordinator (rmurray@hazelwick.org.uk).

Yours faithfully

S. Agnihotri
