Chair of Governors: Mr L Clark

Dear Parent/Carer

Year 8 NHS Careers Trip

On Wednesday 25th November 2026, we have an exciting opportunity to take a group of Year 8 students to the "350+ NHS Careers Presentation Event" at Princess Royal Hospital, Haywards Heath. Students will hear from a range of NHS professionals and learn about the many different careers available within healthcare and the routes into these roles. This event will help students broaden their understanding of future career opportunities and support them as they begin to think about their GCSE options and longer-term aspirations. It promises to be an informative and inspiring experience, giving students an insight into one of the UK's largest and most diverse employers.

On the day of the trip, attending students should meet outside school reception at 8.25am. We will drive the students from Hazelwick to the site in the school minibus. We will return to school around 12.00pm. Full school uniform will be required to be worn.

If you would like your child to take part in this trip, please give consent and confirm medical details via the link below. Please note that numbers on this trip will be limited. There is no cost to participate in the trip.

Medical and contact details must be checked/amended and verified via the link before we can take students out on trips. If you have any queries regarding your login details, please email insight@hazelwick.org.uk for assistance.

For all students where their medical information indicates they use an inhaler or autoinjector, they will need to bring this with them on the day of this trip. Failure to bring their inhaler or autoinjector may mean they will be prevented from attending this offsite activity.

If you have any questions regarding this opportunity, please do not hesitate to get in touch – careers@hazelwick.org.uk

Yours faithfully,

Mrs Andrews
Careers Leader
