

## DR.EAM Junior Virtual Conference

**Saturday 28<sup>th</sup> November 2020 – 9:00am to 4:30pm**

Birmingham Widening Access to Medical Sciences society (BWAMS) is hosting its annual **DR.EAM Junior Conference** this year. The DR.EAM Junior Conference is a **free** outreach event aimed at **Year 12 students** who are considering a career in medicine.

Our aim is to inspire and inform students about a career in Medicine. We will provide students with an insight into life as both a medical student and doctor, as well as advising on next steps to prepare for an application. The day will consist of inspiring talks, workshops and panels made up of doctors and medical students from around the country. Workshops will include an introduction to clinical skills, Q&A with medical students from different universities and work experience advice.

Widening Access at the Medical School will be helping us in the selection of these students according to the University's widening access selection criteria, with priority given to pupils from areas with a low number of students attending University for this event.

We encourage you to share this opportunity with your Year 12 students. This **free virtual conference** gives students the chance to learn more about a healthcare career and all it has to offer!

- Date: **Saturday 28<sup>th</sup> November 2020**
- Time: **9:00am to 4:30pm**

We believe that this event will be hugely beneficial for your students considering studying Medicine at University. Please encourage students to apply before **Sunday 22<sup>nd</sup> November 2020** using the following link: <https://bham.onlinesurveys.ac.uk/dream-junior-2020-application>
