Dear Parent/Carer,

Year 13 Mock Examinations

As stated in the email dated Tuesday 19th January, the re-scheduled Year 13 mock examinations will take place from **Monday 8th March to Friday 19th March**. The whole Year 13 timetable will be suspended for these 10 days and all students will have study leave. However, Year 13 students taking Year 12 courses are expected to attend Year 12 lessons as normal – unless the lesson clashes with an exam. Students who do not have many exams must spend their time productively consolidating their learning and reading around their subjects. Students who study one or more courses where a mock exam is not being taken, will be expected to attend school as directed by the relevant Head of Department to continue with their coursework in those non-mock subjects.

Clearly, the coming weeks are of considerable importance for your son or daughter and it is crucial that s/he continues with a structured **revision programme**. The rescheduled Year 13 mock will contain the same content as was planned for January. This is the same content that students have already been revising in preparation for their mocks.

These mock exams will provide an important measure of the progress made and are scheduled at this stage in order to allow students time to respond to their outcome. The following week, staff will be marking the tests and entering the data for the third **Year 13 Progress Report**. This report, which will be issued on Friday 23rd April, will focus on current performance grades, target grades, exam scores, attitude to learning and deadlines.

Once we know more about further assessments that will take place after Easter we will write to you again with more information.

We hope that this letter alerts you to the importance of the next few weeks in particular. If you wish to discuss any aspect of this process, please do not hesitate to contact us.

Yours faithfully,

Mr J Hillier
Assistant Headteacher
Head of Sixth Form

Mr Whitley
Assistant Head of Sixth Form
