Mr J Rana

Election Statement: I am passionate about ensuring that children consistently receive the highest levels of education, and I am keen to ensure that children are given every opportunity to develop and flourish, as this will invariably put them in good stead when leaving full-time education. I feel privileged that my son attends Hazelwick, and I am proud of the school's rich and diverse history. I am also acutely aware of the challenges faced by teachers due to budget cuts, and the behavioural changes of children. I wish to make a difference for the betterment of the school.

Mrs A Nayee

Election statement: I have been working for Royal Mail for 20 odd years now. I am also an active member of our trade union. I stand for equality and fairness for all regardless of race, colour or gender. I would like to become a governor to support the school in making the best possible decisions that they can to improve our children's future and to give them all they need to flourish. I have 2 boys, the eldest going into Year 11 at Hazelwick and the youngest in his last year at primary school. I'm hoping me becoming a governor will help me play an active role in decisions made for our children.

Mr Z Amin

Election Statement: My daughter will be in Year 9 in September. I would like to be considered as a governor for your school as I have a strong belief in giving children maximum opportunities to discover their full potential through education and extra curriculum activities. My background is in Project Management where I have spent the last 15 years delivering telecom projects. Also, for the last 4 years I work as Mediator/Conflict coach for a local charity.
