

Dear Parent/Carer

As part of our reflections on the mock examinations and the impact of the pandemic, we have been looking at ways to give our Year 11 students as much support as possible, enabling them to feel fully prepared for their GCSE exams in May.

From Friday the 7<sup>th</sup> January, Year 11 students will no longer take part in their Maintaining a Healthy Lifestyle lesson and will instead have the opportunity to work with the English, Maths and Science departments. These sessions will be taught by various members of those departments and cover different aspects of the course each week. Students have been given information regarding where their class will take place and this will be different for each student so it is important that they check this regularly.

If you have any questions please contact myself or the Year 11 team on the following email address: <a href="mailto:levans@hazelwick.org.uk">levans@hazelwick.org.uk</a> or <a href="https://www.hoy11@hazelwick.org.uk">https://www.hoy11@hazelwick.org.uk</a>

Yours faithfully

Mr. L Evans Head of Middle School Hazelwick School
