February 2022

Dear Parent/Carer

## Spring Assessment: Monday 28<sup>th</sup> February – Monday 7<sup>th</sup> March 2022

I am writing to explain the arrangements for the forthcoming Spring assessment period. During this assessment time, from Monday 28<sup>th</sup> February, the Year 11 lesson timetable will be collapsed, and Year 11 students will only be expected to attend for their assessment. You will receive a separate email with your son's/daughter's assessment timetable, which details the subject, date, time, location and seat number for each assessment. Once their assessment has been completed, they will leave the site and return home. When not in an assessment, students should be at home to study independently, making use of this time and consolidating the learning that has taken place here in school.

Whilst we feel this is the most beneficial way for the students to work during this period, we understand that this may not be feasible for those students who will find it difficult to travel home after a morning assessment and then return to school for an assessment later that morning or in the afternoon. In this case, we are able to offer a number of spaces in school for supervised study; the student would need to bring revision materials with them to work on. We will need to know in advance so that arrangements can be put in place so if you would like your son/daughter to remain in school in these circumstances, please email Mrs Beattie the Year 11 Co-ordinator (sbeattie@hazelwick.org.uk).

Yours faithfully

Mr L Evans  
Head of Middle School

### To be returned to the student's Form Teacher

I acknowledge receipt of the letter informing me of the arrangements for the mock Spring Assessment period. I understand that independent study has been granted on the condition that, when not taking an assessment, my son/daughter will revise at home.
