Dear Parent/Carer

We are writing to inform you that the second presentation from Jack Hayes and the Dare to Dream project will be on Friday, 11th February. During lesson 3 on this day, local radio DJ Jack Hayes and the Dare to Dream project will deliver a presentation to the Year 9 students. The central themes of the presentation are self-awareness, mind set, gratitude, resilience, teamwork and employability. The purpose of the presentation is to inspire our students to look after their wellbeing and consider their future choices. Members of Hazelwick staff will supervise the session. There will be one further presentation next term, the first one was in November 2021.

Students do not need to bring anything for the presentation; but they do not need to bring their lesson equipment for lesson 3 on that day. We are looking forward to an enjoyable session. Please do not hesitate to contact us if you require any further information.

Yours faithfully

Heads of Year 9
