How to Register and use SIMS Options Online

Step 1 – Receiving Your Invitation

You will soon receive an email to the primary contact email address we have for your child from noreply@sims.co.uk titled "Hazelwick School invites you to SIMS Parent". You will need one of the following existing accounts: Apple, Facebook, Google, Microsoft Office 365 or Twitter.

Step 2 – Setting Up Your Account

Click on the link button in the email:

Accept Invitation

We **do not** recommend setting up a SIMS ID account as we only use the SIMS Parent facility for 'Options'.

Do not enter your email address. Instead, make a note of or copy the Invitation Code, and then click on 'Register with an External Account'.

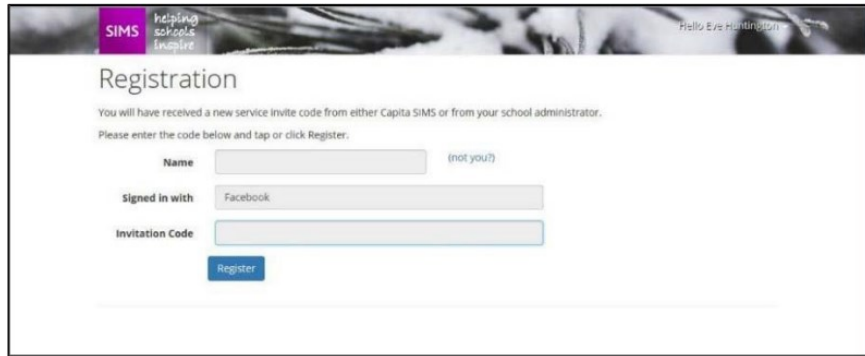

OR

Scroll down to see the icons:

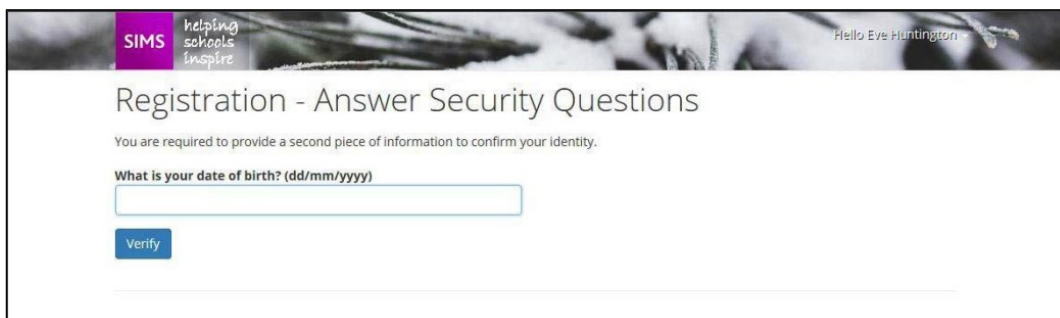

Click on your preferred existing external account and follow the instructions on screen to get to the next screen.

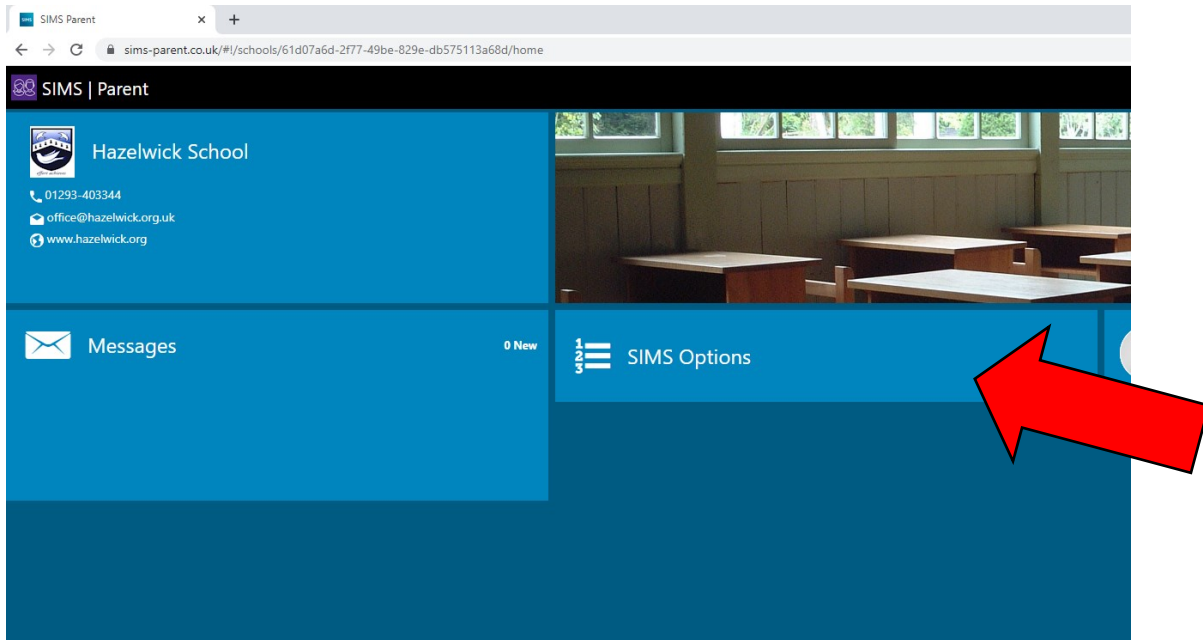

The first screen will be where your details are confirmed. Paste or enter your invitation code and click Register.

On the second screen you will be asked to confirm your child's date of birth for authentication purposes.

Click on the SIMS Options button.

Step 3 – Signing In

Please note, you only have to enter the invite code once for the process to work. For subsequent logins, simply go to the website: www.sims-options.co.uk. Then sign in with the online service you used when you set your account up (e.g. Facebook).
