Dear Parent/Carer

I am writing to remind you that we are holding an in person & online introductory talk and discussion for parents/carers about Higher Education. Students themselves are very welcome to attend as well, although our assemblies and the personal statement writing workshop in July will deal with many of these issues. We have set aside the evening of Tuesday 5th July from 4.00-4.45pm for this occasion.

The event will be held in person and on Microsoft Teams and can be accessed using a link which will be sent out on Monday 4th July. You are welcome to attend in person or online. As this will be online it will also be available to watch later.

The evening will be presented by the Sixth Form team. It will consist of an introduction to Higher Education and its application arrangements, as well as information about loans and tuition fees. It is hoped that the opportunity to ask questions will encourage some discussion, so please come along prepared to ask questions that you would like answered. For those watching live on Teams there will be an opportunity to post questions that will be answered as part of the session.

If you have any particular questions that you would like addressed on the evening, please e-mail them in advance to: dhughes@hazelwick.org.uk. We will endeavour to ensure that all questions sent to us are answered but will, of course, also welcome any questions that you have on the evening itself. I hope you will accept this invitation to be present on this occasion and I look forward to seeing you.

Yours sincerely

Mr J Hillier
Assistant Headteacher
Head of Sixth Form
