Chair of Governors: Mrs R Bowron

September 2022

Dear Parent/Carer

Year 11 GCSE Geography Fieldwork skills to Grattons Park, Crawley

As part of the GCSE Geography course, all students are required to complete two days of fieldwork outside the school grounds. Students are asked questions on planning and completing a fieldwork enquiry as well as questions on their own fieldwork enquiry (one for human and one for physical Geography).

Our fieldwork enquiry will investigate how successful the restoration of Grattons Park, Crawley has been. This is a case study for their hydrology module. During the morning trip, your son/daughter will be required to undertake several data collection methods to investigate the success of Grattons Park.

All Year 11 GCSE Geography students are required to attend this one-morning trip. Students will meet on the lower school playground at 8.55 am. We are expected to return to school at 12.20 pm in time for lesson 4. The dates of the trip are listed below. Your son/daughter will only attend one of these mornings, depending on the class they are in:

Monday 3rd October -11D/Gg5 (TFR) and 11c/GG4 (LSC)

Wednesday 5th October -11A/Gg1 (LSC) and 11D/Gg6 (RDV)

Friday 7th October – 11b/Gg2 (EKI) and 11B/Gg3(TFR)

There is no cost to this Geography fieldtrip.

In Wisepay, please can you tick the check box to verify that the medical details we have on Insight are correct or tick the box that states you have updated medical information.

If you have any queries with Insight, please email insight@hazelwick.org.uk for assistance.

Students are required to bring wellington boots or waterproof shoes with them that day.

If you have any queries, please do not hesitate to contact me via email
tframpton@hazelwick.org.uk

Yours faithfully

Ms Frampton

Head of Geography
