Dear Parent/Carer,

Local company, Comply Sense, is offering Hazelwick Sixth Form students a fantastic opportunity to complete four courses aimed at improving a student's life skill beyond the classroom. Comply Sense recently delivered an assembly to Year 12 in which they outlined the opportunity available to them: a package of 4 courses to develop their skills and complement their current A-levels.

The four courses are:

TQUK Level 3 Award in Emergency First Aid at work
TQUK Level 3 Award in Emergency Paediatric First Aid at work
TQUK Level 3 Award in Mental Health at Work
TQUK Level 3 Award in Workplace Risk Assessment

The courses are all level 3, are of industry standard and come with UCAS points so can be used to support an application to university. Students applying for an apprenticeship after sixth form can use these courses to demonstrate a range of industry standard skills. Regardless of a student's future goal, a first aid qualification is always a positive addition to any applicant's CV.

The cost for completing all four courses is £300. Comply Sense is offering two free places to bursary students for every ten students that sign up to the course.

Payments will be completed through the Comply Sense website; please use the link below to access a specific page for Hazelwick students. The sessions will be delivered in a combination of online and in person training. The time constraint to complete all four courses is approximately 6 days. The in-person training will take place in school where possible on INSET days; dates of which are shown on the company website.

Anyone wishing to sign up for this opportunity please scan the QR code below.

Kind regards,

Mr Hillier
Head of Sixth Form
